

THE LITTLE CHATTERBOX - Summer Class Schedule - April 26 - August 21, 2010

This summer, The Little Chatterbox is proud to offer a Spanish half-day camp-like enrichment program, in addition to its regular Spanish for Tots and Spanish for Children classes. The camp-like enrichment immersion program, for children ages 3-9 years, blends The Language Workshop's unique playgroup approach, language immersion fun, and a flavor of the Spanish culture. It is a separation program so children attend by themselves. Games, arts & crafts, books, play and movement activities center around the Summer's new LWFC vocabulary-building songs and learning more foreign language grammatical patterns and word meanings. In order to provide flexibility to our students, the Summer schedule is divided into three sessions. Please call [813.944.2240](tel:813.944.2240) or check our website, www.thelittlechatterbox.com, for more detailed information regarding our Summer programs.
